Re: **US v Henry P. Steeneck**  
*07CR 929*

Your Honor:

I received a call from Henry P. Steeneck's father yesterday evening. Mr. Steeneck was hospitalized yesterday Sunday due to a high fever. I received a call this morning from the senior Steeneck, that Henry P. Steeneck is undergoing surgery this morning, April 21<sup>st</sup>, 2008 at the Hudson Valley Hospital Center to remove the new shunt and drain tube as it is infected. I further understand that he will undergo a second surgery tomorrow to remove the original shunt and drain tube as it is infected as well.

As these are matters of a medical emergency I would request a continued release of the Defendant at least until this Friday April 25<sup>th</sup>, 2008 subject to an application once I receive a report on Mr. Steeneck's condition.

Sincerely,

  
Charles J. Diven, Jr., Esq.
